COILS, SLIT STRIPS, SHEETS AND SHEETS CUT-TO-SIZE. ANYTHING BUT COLOURLESS: AS DIVERSE AS YOU NEED IT TO BE.

We have colorcoated flat steel products in different colors available from stock as coils, slit strips, sheets and sheets cut-to-size in the following materials and dimensions in over 140 RAL colors.

Today, colorcoated flat steel products are used to an increasing degree to save the need for additional coating work. The carrier material for colorcoated flat steel products is hot-dip galvanized and meets strictest quality requirements. On request, we can deliver materials from stock within a few days, or even faster if it is already available. A state-of-the-art machine park ensures minimal tolerances and we package and ship your items according to your requirements.

Your required colors or dimensions are not listed? Do you need a special coating system like PVDF, plastisol, polyurethane or even a decorative film? Not sure which color you want? We will gladly send you a RAL color fan to help you choose.

Just contact us, we will be happy to advise you.
